George Washington, 1<sup>st</sup> Inaugural address

**ROBERT DUANE ANDERSON – RE-AWARDED THE BRONZE SAR GOOD CITIZENSHIP AWARD**

President Frank Kebelman presented Bob Anderson with his Bronze Good Citizenship Medal and Certificate again.

**Robert Duane Anderson is among our original founders of our Eagle Chapter along with his wife Carol. Without him the Chapter wound have not been formed.**

If memories provide strength, then we will remember when Bob became member NSSAR 161798. as a descendant of Eleazar Bates of Connecticut, on 19 December 2003, Wayne was the President of the Riverside SAR Chapter at the time; Wayne installed Robert Anderson originally into the Riverside Chapter of the Sons of the American Revolution (SAR), and similarly Wayne was the President of the Eagle Chapter when Bob was original member of Eagle Chapter. Years come and go, but still the hand of memories weave.

How time flies. Next year Bob will be a member of SAR for 15 years. At the initial time Bob joined the SAR, he was an officer in the Temecula Valley Genealogical Society (TVGS) with his wife Carol Anderson as its President.

Bob's patriot was Eleazar Bates born 1749 died 1826, coincidentally the same year President John Adams and Thomas Jefferson died that year on July 4<sup>th</sup>. Eleazar 's wife was Hannah Stocking.

Congratulations Bob, on this well deserved medal and certificate!

Thank you for your service and helping me to get the Eagle Chapter started.

Bob's wife Carol reports on events of the DAR Monserate Chapter of Fallbrook, California including celebration of the signing of the Constitution Day. Also shown with Carol are Helen Murphy and Bill Frederick, new member.

**President Frank Kebelman presented Karen Huegel (wife of John Huegel) a Certificate of Appreciation for her support of the Chapter, and for her participation in various parades, meetings, and other events with her family.**

**At the September 9<sup>th</sup> meeting, Wayne Rogers was honored with the Chapter Distinguished Service Award - when President Frank Kebelman presented him the Medal and Certificate for his dedication and support of the Eagle Chapter.**

**At this meeting, Wayne presented the program on the Huguenots, without the projector and power point program on his computer.**

**He was presented a Certificate of Appreciation for that presentation.**

**On September 16 Wayne gave two more presentations at the LDS Family Discovery and History Day Faire on the Society of the Mayflower and Democracy; and Tracing Huguenots**

### **THE EAGLE NEWSLETTER IS PUBLISHED MONTHLY AND IS VERY INFORMATIVE, AS FOLLOWS:**

The American Revolution (1775-83) is also recognized as the American Revolutionary War and the United States War of Independence. The conflict arose from growing tensions between residents of Great Britain's 13 North American colonies and the colonial government, which represented the British crown. Skirmishes between British troops and colonial militiamen in Lexington and Concord in April 1775 kicked off the armed conflict, and by the following summer, the rebels were waging a full-scale war for their independence. France entered the American Revolution on the side of the colonists in 1778, turning what had essentially been a civil war into an international conflict. After French assistance helped the Continental Army force the British surrender at Yorktown, Virginia, in 1781, the Americans had effectively won their independence, though fighting would not formally end until 1783.

### **Honor your patriots, submit some supplements!**

**Each Month Wayne looks forward to an article or bio from our members to input into our newsletter. While many of us have submitted articles about our ancestors in the revolutionary war, it is suggested, for a refresher to the Eagle newsletter, that we begin submitting an article or bio about our parents (our mothers and fathers), who started us.**

**Many of them went through World War II. Let's remember in writing and publishing them before it is too late. Honor your mother and father by submitting an article or bio about them to Wayne Rogers: [roger-wayne1@hotmail.com](mailto:roger-wayne1@hotmail.com) ; or 28482 Scenic Bay Cove Menifee, California 92585; or call me 951-795-8704.**

### **Prospective and New Members**

**Each month Wayne looks forward to genealogy and SAR applications for new members and supplementals for existing members.**

**We have several prospective members whose applications have been sent from CASSAR to NSSAR: Bill Frederick (Mureitta) , Ed Studler (Menifee), and which have been recently approved**

**SAR continues to want good documentation: (e.g. Policy 5:202 says, Proof of names and dates and places of birth, death, and marriage for both spouses for each generation is requested and encouraged.**

**This information may be necessary to distinguish the ancestors from another person of the same or similar name,**

**For example. I have six Adolph walrath in the revolutionary war.**

#### On Line Registration

As chapter Registrar, I have been assigned Eagle Chapter Registrar permissions **on-line** to view, edit, save and print all started applications that designate the Eagle Chapter, SAR. After I login to the NSSAR Online System, on the left side of the computer screen, there is a "stacked paper" icon with the words "Chapter Dashboard" which I click. A new screen will display that shows five of the most recently saved Eagle Chapter applications and I can click the gray "View" button to the right of that list of applications to access any of those applications for viewing, editing and printing. Also, I can click on the "Applications" tab above the list of most currently saved Eagle Chapter applications and then click on "Regular," "Supplemental," "Junior" or "Memorial" lists of started Eagle applications, click the blue "Edit/View" button to the right of the application that you want to view, edit, save or print. Sometimes when I change from "Regular" to "Supplemental" or from "Regular" to "Junior" there are no applications displayed and to refresh the list of applications I need to click the "Chapter Dashboard" icon again and then click "Applications" and then click the category of Eagle applications that I want to view. Contact me if you need clarifications, on **how you too can get on line for new or supplemental applications.**

**I am grateful for Bruce Plummer and Anne Christy's interest in Genealogy as follows:**

#### **Visit to Boston and The New England Historical Genealogical Society by Bruce Plummer**

On August 20, 2017, Anne Christy and I flew to Boston, MA to do some genealogy research. Since our earlier genealogy search efforts had resulted in tracing my eligibility for membership in SAR, our primary goal this time, was to gather information and flesh out what little we knew about earlier generations of my Plummer family, particularly those generations from the formative years of the American colonies. To accomplish this goal, we spent two full days, August 22nd & 23rd, from opening to closing, at the New England Historical Genealogical Society Library (NEHGS). The NEHGS is the oldest (founded in 1845), the largest and the most respected genealogical society in the United States. The NEHGS building encompasses several floors each devoted to a specific type of historical data: microtext; manuscript reading rooms and local histories, as well as the provinces of Canada, including bound volumes of state genealogical society scholarly journals; referenced collections and compiled genealogies and rare books and an entire conservation library. In a nutshell, NEHGS offers the most comprehensive resources in the country for researching family history. "Many notable figures, including numerous presidents, have been elected members of NEHGS. An original member was John Quincy Adams, elected on February 20, 1845, just prior to the Society's incorporation. Others elected, by year, include: • 1845: John Singleton Copley, Baron Lyndhurst of Lyndhurst, Lord Chancellor, and son of the artist, • 1846: Boston mayors Harrison Gray Otis and Josiah Quincy, • 1847: Lewis Cass, Henry Clay, Albert Gallatin, Hannibal Hamlin, Washington Irving, and Daniel Webster, • 1859: John Tyler, • 1862: Horatio Alger and Sir John Bernard Burke of Burke's Peerage • 1863: Massachusetts governor John Albion Andrew • 1869: Ulysses S. Grant • 1877: Rutherford B. Hayes • 1884: Chester Alan Arthur and British Prime Minister William Gladstone • 1919: Albert I, King of the Belgians, Warren G. Harding, and Woodrow Wilson • 1921: Chief Justice Charles Evans Hughes, Herbert Hoover, and Elihu Root • 1933: industrialist Andrew Mellon • 1935: Grace Goodhue Coolidge • 1995: Justice Harry A. Blackmun, Rosalyn and Jimmy Carter, Julia Child, Bill Clinton, Betty and Gerald Ford, Henry Louis Gates, Jr., Charlton Heston, David McCullough, and Nancy and Ronald Reagan (1995) • 2009: Boston mayor Thomas M. Menino"

The NEHGS website [www.AmericanAncestors.org](http://www.AmericanAncestors.org) is one of the most widely used online resources in the country. More than 15,000 members do research on the website every day and an additional 15,000 non-members visit daily. It features nearly 3,000 unique searchable databases containing information on over 113 million people. The extensive NEHGS Library catalog is also fully searchable on the Society's website. Upon our

arrival at the headquarters building at 99-101 Newbury St., in Boston's Back Bay neighborhood, the scope of the vast collection of material was impressive. There were thousands of historical books, housed in wood paneled walls, in several rooms on several floors. There were over twenty computer terminals able to bring up all manner of data from CD disks, and access to over 1.3 billion names from various data bases, as well as providing access to an online library catalog listing more than 200,000 books and other resources. After confirming our previously made appointment and providing an overview to two professional, staff genealogists of what we were looking for, within a few minutes, several worn, old, but readable books, with the appropriate pages bookmarked, appeared in a pile, beside us. With the help of these extremely knowledgeable professional genealogists, we were able to accomplish in two days, what otherwise, would've taken much longer. We were able to cut costs by copying all the required pages from the copier directly to a thumb drive at no charge. After compiling all the material, we realized we had uncovered so much more than we had anticipated. The NEHGS genealogists suggested that because of my ancestor's history, I should apply for membership in two additional organizations: The Sons and Daughters of the First Settlers of Newbury, MA, since two of my ancestors (Francis Plummer and John Cheney) were part of the first 20 families that settled in Newbury, MA and because my earliest ancestor (Francis Plummer), was a tavern keeper in Newbury, MA, I'm eligible for membership in the Flagon and Trencher Society, who are descendants of Colonial Tavern Keepers. Based on genealogy records at NEHGS, Francis Plummer was the first Plummer to arrive (1635) in North America. (The History of Newbury, Newburyport and West Newbury from 1635 to 1845, by Joshua Coffin). Five of his descendants and bearing his name have been members of Congress. One of them, George, son of Jonathan, was the first white child born in Pennsylvania, west of the Allegheny Mountains. The same George was the first member of Congress sent from beyond the Allegheny Mountains. Branches of the family are said to be in every State in the Union, and in all the British provinces (Lineage of MR. FRANCIS PLUMER NEWBURY, MASSACHUSETTS 1635: the Plummer System of Genealogical Enumeration, by Alvin b. Plummer 1866). There are several tiers of membership in NEHGS starting with a Friend level at \$150.00 per year. For those wanting to delve even deeper into a family background, if your ancestor's came from, or settled in the New England area, NEHGS is a wonderful genealogy research tool and well worth a visit. Check out their website.

#### **Abstracts of Mannheim Palatinate Records Translation by Louis Dubois, late of Yardley, PA Made in 1928**

"In the year 1606, the Elector Frederick IV of the Palatinate, being an Evangelical Prince and foreseeing a religious war, built the fortified city of Mannheim at the confluence of the Neckar and Rhine Rivers. Soon after, on 1618, there broke out the devastating "Thirty Years War" and then the youthful fortress of Mannheim was taken and destroyed by the Bavarian General Tilly. The persecuted French Protestants were brotherly received in the German Evangelical Country, particularly in the Rhineland. The Walloons were likewise welcomed in Mannheim and allowed to establish their own French Evangelical community with their own clergymen. For a time, they were united with the German Evangelical Reformed Church, which union was made with the understanding that services and Holy Communion should be held in the French language in the Spring and Autumn. The civil and church records of Mannheim do not go back beyond the year 1621, the date of the city's destruction. It is only at a later date that the records of the French Protestants are to be found

inscribed by French clergymen in the German church book of records. The Name du Bois is found for the first time in 1653: LOUIS DU BOIS, bp. at Lille, parish church of Wiscres, France , 10-21-1626 (sp. Jacques du Bois & Rogeau); . at Kingston, N.
