PARTNERS IN PATRIOTISM

The SAR Patriotic Outreach Committee focuses on encouraging and recognizing chapters and state-level societies who participate in organized programs with other veteran support organizations such as the American Legion, Am-Vets, Veterans of Foreign Wars, Disabled American Veterans, and other veteran organizations.

The Partners in Patriotism certificate is awarded by the Patriotic Outreach Committee to any SAR chapter or state-level society that participates in an organized program or event with another veterans' organization. In order to receive this recognition, the chapter or state-level society must submit a [Partners in Patriotism Report form](#) to the Patriotic Outreach Committee Chairman or his designee, [Mr. Tony L. Vets II](#). Upon approval, the certificate will be handed out to a member of the state-level society at the next annual SAR Congress. The Daughters of the American Revolution is not considered a veteran's organization.

Celebrating the Pilgrims and Thanksgiving (this past month)

They were not soldiers, royalty, landowners, nor your typical immigrants. They were different: half were religious, separatists, families with children, women pregnant with children; and the other half were strangers, adventurers, who united together to colonize the Plymouth Colony. The group were the first to maintain an enduring and lasting viable colony. They were not recipients of business investors. While some business interests had sent over more than 8000 people that kept dying up to this time, the Pilgrims were able to overcome sickness, near starvation, disease, its first time. Unlike other financed settlers they depended upon their bible and God for their healing, survival and their ultimate destiny. They didn't depend upon big business or governmental interests, trading, tobacco and food from lands or their trading welfare; they depended upon their own selves, self-cultivation and friendship with the Indians, for their first Thanksgiving, which eventually became a national holiday, remembered and practiced even today, this past month. They were also the first self-governing body, via the Mayflower Compact, to

separate from England and Holland. They separated not only from the Church of England but from England itself. They were the beginning of separation of church and state. And when it came to the American Revolution, their descendants were not among the loyalist, like many other early business interest descendants, but fighters and supporters for their War. Since then their descendant have learned to maintain their religious beliefs, families, become soldiers and support the country.

**Faye Bishop's DAR Liberty Certificate, for extrardentary work for her singular helping to build and serving the Eagle Chapter the past few years, with increasingly responsibilities.
Display of the Formal Presentation Plaque by the President of CASSAR**

To Faye Bishop, from the President of CASSAR James Fosdyck at the 3rd November CASSAR Board of Manager's meeting: for sterling leadership and outstanding dedication to the Eagle Chapter, NSSAR throughout the first five years of its existence During this period, Faye Bishop worked diligently to support the growth, management, and expansion of this Chapter. The first new CASSAR Chapter created in many years. Her actions, included assisting the Chapter Secretary in complying with a wide variety of CASSAR requirements. advising officers regarding state and federal tax issues, promoting Eagle Chapter in local community and encouraging her Chapter in the community and encouraging her sisters of the Daughter of the American Revolution to support Eagle Chapter events. Her wise counsel, acumen and sound advice proved particularly valuable to Chapter Presidents as they worked to resolve membership and transfer application challenges while striving to concurrently produce a monthly program of Chapter activates. Much of the success that Eagle Chapter has achieved during this period is directly attritable to her efforts. With

deepest gratitude, appreciation and respect she hereby awarded the Daughters of Liberty Medal. Given under my hand this 1st day of November 2017,

James Fosdyck, CASSAR President

Faye Bishop showing her finest and highest CASSAR Medal(s) at Nov 4th Eagle Chapter Meeting. *Faye Bishop has gone far beyond what was originally expected of any SAR Secretary. She increasingly took on delegated responsibilities over the past few years including her responsibility for doing the reconciliation report, which has become increasingly complicated, since the very first one by then President Rogers which had not yet been ironed out by CASSAR/NSSAR. She has had to complete a production of the monthly program, including months in which most Chapters had dark out months. She has assisted in many community activities and encouraging her DAR Sisters to support the Eagle Chapter, including recent Discovery Day Events in Menifee, CA; and including providing federal and state tax advice to the current President of the Eagle Chapter, which did not renew its original 501c for the past three years, Without the help of Fay much of the success of the Eagle Chapter could not have succeeded this past year 2017. This included her delegated responsibility for obtaining RSVPs from all members for each month's meeting at the Pala Mesa*

Resort which was not required originally at the Lawrence Welk Resort. This year Faye was also delegated and got the Eagle Chapter Banner made. Most recently she has been delegated to edit the Eagle Newsletter, and to send it out to all members, which Wayne Rogers previously had done. Consequently, her outstanding and increasing responsibility and willingness to do more for the Eagle Chapter, Faye Bishop is acknowledged by this chapter and deserves the beautiful and prestigious Daughters of Liberty Medal (below) Besides her increasingly responsibilities and willingness to the serve Chapter, she helped in other areas. For example, she did the DAR application of Wayne Rogers' daughter Margarete Rogers and others into the DAR this past year. There are always some people you can always depend upon in your life, Faye Bishop is among those -from Wayne Rogers, Creator, Founder and 1st President of the Eagle CASSAR Chapter

FROM THE PRESENT TO THE HISTORICAL:

Death of General Mercer*, this picture was provided compliments of Secretary Bill Bishop. *Bill Bishop has frequently done photos for the chapter. He has always been helpful to the Eagle Chapter before it was chartered. He is a founding member. He assumed the secretary position. He was awarded the distinguished service award for his services in 2016 as secretary. He was with Wayne when Wayne initially created the chapter and the color guard, and supported the Chapter several times at Constitution Day, 4th of July Parade, Discovery Day Events in Menifee, CA, and massing of the colors in Burbank. He has been present at all Chapter meetings. He has made great program presentation(s) to the Chapter. Sometimes it is the persistence and forever presence that gives us a glimpse of the larger*

picture in our contingencies and endeavors *Last year Bill Bishop received the Distinguished Service Award from then President Jerry Sayre. Thank you, Bill, for your continuous service to the Eagle Chapter- from Wayne Rogers, Creator, Founder, 1st President of the Eagle CASSAR Chapter.*

**General Mercer above), was Scottish soldier and Physician, initially served with jacobsite forces of Bonnie Prince Charlie, was a friend of General Washington, who died of wounds at the Battle of Trenton, became a fallen hero and a rallying symbol of the American Revolution.*

Treasurer Robert Martin Honored

Robert Martin receives the Highest Eagle Chapter Award, the Meritorious Award and Certificate

Robert Martin receiving the highest SAR Chapter Award, the Meritorious Award and Certificate *for extraordinary and outstanding work on Maintaining AND Restoring the Eagle Chapter's original 501c status with the Federal and State Governments without 'cost' consideration consequences of the previous*

created and achieved status over 4 years ago at the formation of the Eagle Chapter under the subordination and acceptances by the National Society of the Sons of the American Revolution (NSSAR.)'and its' 501c recognized historical status. An amazing medal, and thanks for maintaining the Eagle Chapter which was created and formed -four-five years ago. When that which is perfect is comes, then that which was imperfect goes. When the chapter was young it thought as a child, but when it becomes older it sees through a glass darkly, and as it sees, it begins to see itself.

Description: **The medal has a silver finish** and bears on the obverse a relief of Thomas Jefferson. On the reverse inside a pair of laurel branches is space to insert the recipient's name and the date of presentation. It is available in miniature and comes with a certificate, which should be engrossed and presented with the medal.

Summary: The State Meritorious Service Medal may be awarded to SAR members who have rendered long, faithful and meritorious service to their state society. The meritorious service rendered should be stated in the citation.

Subsequent Presentation NOT Authorized: A Compatriot may receive this medal only once from a state society.

Special Note Regarding Oak Leaf Clusters: Although a member may receive the award multiple times from the National Society, and once from each of a district, a state society or a chapter, only one Meritorious Service Medal is worn. Once a member has received the Meritorious Service Medal, subsequent awards by additional conferring authorities are represented by oak leaf clusters (regardless of the conferring authority).

David Ott received the outstanding Bronze Roger Sherman Award and medal.
We live in a time described by information, technology, speed, convenience and other phenomena. In such a time, information come faster. Congratulations Dave.

Description: **The medal is antique bronze in color** and bears on the obverse a portrait of Roger Sherman, with the inscription “Roger Sherman Medal.” The reverse of the medal is inscribed “In Appreciation for Service to the SAR.” It is suspended from a chest ribbon of blue, white, and red.

The Bronze Roger Sherman Medal may be awarded to a compatriot in recognition of, and in appreciation of, outstanding services rendered to a Chapter. The medal is presented to a compatriot for significant service which lacks the requirements for the Meritorious Service Medal. It should be awarded in place of the Bronze and Silver Good Citizenship Medals, which cannot be awarded for service to the SAR. The recipient must have served as an active officer for a minimum of two years, as an active committee chairman for three years, or as an active member of a committee for four years.

This Medal is named after **Roger Sherman** (1721-1793), who was a founding father, and the only person to sign all four Congressional papers of the United States: The Continental Association, the Declaration of Independence, the Articles of Confederation, and the Constitution.

Subsequent Presentation Authorized: A Compatriot may receive this medal multiple times. A bronze oak leaf cluster may be awarded for an additional two years of active service as an officer, chairman or committeeman. The service is counted cumulatively rather than consecutively, and may not be added concurrently for multiple offices, committee chairmanships, or committee memberships. Presentation and wear of oak leaf clusters shall follow NSSAR policy.

Ed Morris receiving the outstanding *Bronze Roger Sherman Award and Medal*

Roger Sherman (April 19, 1721 – July 23, 1793) was an early American lawyer and politician, as well as a founding father. He served on the Committee of Five that drafted the Declaration of Independence, and was also a representative and senator in the new republic. *He was the only person to sign all four great state papers of the U.S.: The Continental Association, the Declaration of Independence, the Articles of Confederation and the Constitution.* Roger Sherman had a large part in what is known as the “Great Compromise”. In 1787 this combined the “New Jersey Plan” which proposed a one house national legislature where each state could cast one vote, and the “Virginia Plan” where representation would be based upon a state’s population. The “Great Compromise” created a bicameral legislature, meaning there will be two houses, one house will have equal representation, while the other is based on population of the state.

Receiving the Bronze Roger Sherman Award is amazing and outstanding because it took Wayne over 15 years to receive this Bronze Roger Sherman award and medal coincidentally from both the Riverside and Eagle Chapters this last year, Congratulations Dave Ott and Ed Morris, your futures look bright, as potential Chapter Presidents in the coming year(s) from Wayne Rogers, Creator, 1st President and Founder of the Eagle CASSAR Chapter.

Thankyou ED and Julia, for your personalized approach to greeting and thanking of Veterans is beyond an organizational approach, Thank you for your Veteran’s card to me personally. It was the first time I ever receive such personal thanks, that was not organizational. All others including recognitions, I have accepted, behalf of my name sake, Wayne J. Rogers, who is on the Vietnam Wall. An individual with my identical name, of whom I performed a part of his earlier physical in the US Army, prior to his death.

ED Morris making a personal presentation on **Cards for Veterans** (community service).

The following is a recent message from Ed's wife Julia:

"I gave out all of our signed Veterans Day cards. There were 70 totals. They went to three different senior communities: Rancho Vista (Elmcroft) in Vista, Aegis Living in Vista, and Holiday Retirement also in Vista. I was able to personalize the cards for Rancho Vista and Holiday.

I had four cards left over so I gave one to the American Legion Post #365 in Vista and the rest to Veteran neighbors on our street.

I have a few Christmas cards at my house along with the Christmas cards you gave me earlier in the month. Are we going forward with having the Eagle Chapter members sign Christmas cards for veterans living in Senior Communities? (I'll pick different senior communities, so we have fresh

recipients.) If so, I remember you mentioned at one of the previous meetings that everyone may want to bring a box of cards.

I don't mind buying more cards so problem if we don't get more.

If we do sign Christmas cards at the next meeting, I think it best if I have them out ahead of time for people to sign before and after the meeting. Should we send that out in the newsletter?

Best,

Julia

Let us be prepared to sign Xmas cards at the next meeting, Dec 2nd.

CASSAR EAGLE CHAPTER

MINUTES OF A REGULAR MEETING HELD ON CASSAR EAGLE CHAPTER

Saturday, 4 November 2017

On Saturday, 4 November 2017, a regular meeting of the CASSAR Eagle Chapter was held at the Pala Mesa Resort, Fallbrook, CA. There were 16 attendees present.

Jerry Sayre was the only member in uniform and performed the duties of a color guard. President Frank Kebelman called the meeting to order, and after Chaplain Wayne Rogers gave the invocation, the attendees recited the Pledge of Allegiance to the American Flag, and the SAR Pledge. The President then recessed the meeting for breakfast.

When the meeting reconvened, Julia and Ed Morris explained about signing cards for the Veterans Day and for Christmas for the veterans living in her Mother's retirement home.

The minutes of the 7 October meeting were approved as had been provided to members via email.

President Kebelman presented the following certificates:

Robert Martin, a certificate of appreciation for his meritorious service in regard to financial issues on the Chapter's 503C status.

David Ott, the Bronze Roger Sherman Medal and certificate for his work on the Chapter's website.

Ed Morris, the Bronze Roger Sherman award for his work on Chapter membership.

Treasurer Robert Martin reported that two members had paid their dues, otherwise, the bank account is about the same.

Registrar Wayne Rogers reported there is one new application and two supplemental applications in the works on the SAR Internet.

David Ott asked for directions about updating the website. President Kebelman suggested adding the members' patriot ancestors. A motion was made, seconded

and passed, that each member provide the name of their patriot ancestors, which have been approved by NSSAR and the unit from which they served. David Ott will then enter this information into the Eagle Chapter website.

President Kebelman gave a brief report on the CASSAR Management Meeting in Irvine on Friday, 3 November, and that Fay Bishop had been presented the Daughters of Liberty Medal and Certificate. He reported on the email he had written regarding "poaching on other Chapters' territory for prospective members".

New Business:

He stated a new slate of officers is needed for the upcoming year. He stated he had sent an email to all members explaining he would not be available for another term, and reported that John Huegel has agreed to be the President. The Treasurer, Secretary and Chaplain had agreed to stay on for another year. Potential Vice Presidents would be Steve Wright, Ed Morris, David Ott, and Jerry Sayre. Wayne Rogers would not be Registrar, so Bruce Plummer is a good candidate.

Frank Kebelman would be willing to be understudy to the Secretary.

The President then asked what activities were ongoing in the ladies DAR Chapters. Fay Bishop reported the Luiseño Chapter is having Bring a Vet to Lunch program at their next meeting; Carol Anderson reported the Monserrate Chapter was having a luncheon to honor veterans.

Upcoming Events:

The Eagle Chapter color guard, along with Boy Scout Troop 309 will march in the Veterans Day Parade in Murrieta.

The next weekend, November 18, there will be a Civil War Remembrance Day Ceremony at Fallbrook's Pittinger House, and you don't need to wear a uniform to march. All interested parties are invited to attend.

The Fallbrook Christmas parade will be December 2, at 5:00 p.m. the same day as our next meeting.

At this time, John Huegel gave the power point program "An Odyssey – A Voyage Home". This was a wonderful program in connection with a historic painting depicting a Napoleonic-era French foot grenadier, from John's collection that he donated to the French National Military Museum. President Kebelman presented John Huegel with the Bronze Good Citizenship Medal.

The SAR Recessional was recited, the benediction given by the Chaplain, and the meeting was adjourned.

Respectfully submitted,
William Bishop, Secretary

New and Prospective Members

(Tracing to the Sons of the America Revolution or Sons of the Revolution Wayne Rogers, is a Board of Director and Genealogist of the American Heritage Library and Museum that provides the genealogical information through its library on 600 Central Ave, Glendale, California

New Hours- Tuesday- Friday 10: -4:00 PM)

Honor your patriots, we could become the chapter with the highest number of Patriots in the year (2017) Wayne Rogers, as registrar got 5 new members approved (the two Huegel brothers, Bill Frederick, Bruce Plummer and Ed Stutler). This is about a 25% increase in our membership; This could potentially be highest than any other chapter in the state, except for the Riverside SAR Chapter. This would have won us a Small Chapter State award, if it has been submitted. Each month Wayne has looked forward to genealogy and SAR applications for new members and supplemental for existing members. He has also had supplemental coming, too. For example, Helen Murphy has indicated big plans for Bill Frederick supplemental as follows:

Ephraim Morey - NH

Christopher Stover, Sr. - Maine

Those, she hopes to do soon;

Stephen Clark (Clarke) of NH

Mark Morse - Maine

Moses Morey - MA

Patrick Wall - MA? or NY or both??

Moses Morey - RI

Thomas Phillips, Sr. - MA

Isaac Hall, Sr - MA

Samuel Hall, Jr. - CT

John Jordan - MA

John Drake - MA

John Morey - RI

Besides supplemental for Bill Frederick, our new member Ed Stutler, has indicated he has potentially over 35 more prospective patriots, which is higher than Wayne's 30 proven patriots.

Bruce Plummer will be taking over the registrar position in 2018, and is already hitting the deck and running with a prospective new member John Murphy

FYI Google can be one of the most useful tools in a genealogist's toolbox. It's likely that we've all turned to the massive search engine at some point during our research, *typed in the name of a missing ancestor, and optimistically hit Enter, hoping for favorable search results. While this type of opportunistic search can be valuable, popular genealogist Lisa Louise Cooke, owner of Genealogy Gems, a multimedia family history company,* says there's a lot more to it than that.

We caught up with Cooke at [RootsTech](#), and she explained how to use Google for genealogy like a pro. Look:

1) Create Google Alerts

If you don't have time to do a customized search every day, set up Google Alerts.

Google Alerts will take the keywords or phrases you've developed and run them

through an internet search every hour of every day until you tell it to stop.

When new information is posted online that matches your search,

Google will email you links to the content.

To create a customized Google Alert, go to [google.com/alerts](https://www.google.com/alerts).

In the search bar near the top of the page, type the query or keyword you want to search. In the box below that, type the email address you wish to have results sent to, and click Create Alert.

Note: If you are already logged into Google, it will automatically set up an alert to your

Gmail email address.

2) Use Google Books and Google Translate

If you're an experienced genealogist, Google Books is a resource you should be using daily,

said Cooke.

If you've got European ancestors, it's a good idea to be researching in foreign language books.

However, this can be tricky if you don't speak these languages. Rather than trying to teach *yourself German or Italian, Cooke says to use Google.*

"Go to Google Translate and type in what it is you're looking for," she said.

"Church records for [a certain] *parish, or whatever. Let [Google Translate] convert it to the German language.*

Use Google Books to search for:

- *The history of a location*
- *The history of a church*
- *Old magazines*

3) Refine Your Search

Cooke says the number one complaint she hears about Google search results

is that it yields so much information and much of the search results aren't relevant

to the person's family line.

"Anytime you run a search, put in what you're looking for, and if you're looking

for the last name Lincoln but you're not related to Abraham *Lincoln*, *subtract* out the word 'Abraham', putting] a minus sign and the word."

John Huegel being presented the Bronze Good Citizenship award by President Frank Kebelman

John Huegel, our next President, made a great presentation, *the Odyssey*. November 4th at the Pala Resort 9 AM, which revolved two paintings, included Louis Michael le Peletier and) and a Napoleonic – era French foot grenadier. during the French Revolution and the Napoleonic era, and his preserving efforts at getting these two authentic paintings back “to their home” in France. for this presentation President Kebelman presented John Huegel with the Bronze Good Citizenship Medal and John provided the following text of his presentation:

An Odyssey, a Voyage Home -by John Huegel

At our December meeting John Huegel gave a presentation entitled, An Odyssey, A Voyage Home. It was the story of how he returned two artworks to France, the land of their origin because that was where they historically, culturally and most importantly - appropriately belonged. He described the gifts to the two Paris museums; the Carnavlet and the Museum of the Army, as their voyage home.

The first was a portrait of Louis-Michel Lepeletier, known as “the First Martyr of the Revolution” who was assassinated by a royalist supporter the night before the execution of Louis XVIII. After having cast his vote for the death of the French monarch, he died before returning to his home January 20, 1793. Some centuries later, John discovered that the sixteenth century home housing the Revolution Collection of the Carnavelet Museum was the very same home of Michel Lepeletier. Determined that the portrait of Monsieur Lepeletier should return not only to his homeland, but should reside as a permanent part of the Carnavlet’s Revolution Collection in his own home, John contacted the head curator. After communicating with the museum, John donated the portrait and visitors to the museum in Paris can now see the First Martyr of the Revolution in his own home where his path had originally been interrupted that evening in 1793.

After this experience John thought about another painting he had purchased, a watercolor of French foot grenadier of the Imperial Guard.

He met with the Louvre's curator of the Nineteenth Century French School who in turn introduced him to her counterpart at the Museum of the Army in Paris. There, after being authenticated as a hitherto unpublished work of Joseph Louis Hippolyte Bellangé, the painting was accepted as part of its permanent collection, not only because it was the work of a well-known nineteenth century military

painter, but also because of its iconography. The foot grenadiers of the Imperial Guard are inseparable from the life and story of Napoleon. Frequently referred to as the Old Guard, they were with him throughout the empire, went into exile with him at Elba and even Waterloo did not separate them from their emperor. Napoleon's body was returned from Saint Helena to Paris in 1840 for interment at the Hotel des Invalides, the site of Napoleon's tomb, which now also houses the Museum of the Army. Those surviving grenadiers were there in uniform to mourn their emperor and welcome him home at last.

The opportunity for John to return this painting to France and have it conserved in Hotel des Invalides, at the Museum of the Army was the only appropriate destination.

The painting now can be seen at the museum in Paris, or worldwide via the internet consortium of French Museums, and giving the painting and the grenadier the opportunity in a sense to also finally return home.

LAUNCHING THE *AMERICAN REVOLUTION INSTITUTE* A DIVISION OF INCORPORATED THE SOCIETY OF THE CINCINNATI

The 14th State in the Society of the Cincinnati is France.

Another in the Society is the formation and launching the American Revolution Institute and its *Associates* (learn more, as follows)

Without France (Ancient or Modern?), the Republic of the United States of America would never had been, would not ever obtained its Victory of Yorktown and there would never have been any Paris Peace Treaty (1783)

The Symbol of the Society of the Cincinnati is the American Bald Eagle, compliments of Pierre L'Enfant.... The Society of the Cincinnati is the oldest American Veterans and patriotic lineage society in the country.

The Society sees that these are challenging times where much of American history is viewed as shameful and our traditional heroes including the leaders of the American Revolution as unworthy of admiration.

Most Americans are silent spectators to this drama. It is time for the Society of the Cincinnati to speak up for the revolutionaries and their remarkable accomplishments. Therefore, the society has created the American Revolution Institute. Again, *Most Americans are silent spectators to this drama. This institute may counter this type of social science and history with contrasting type information; for *example, George Washington was born into a slave culture. But he overcame it by signing and fighting for the Declaration of Independence which declared that all men are created equal. He figuratively fathered the Constitution (Convention) and the Bill of Rights which ultimately through Abraham Lincoln, Martin Luther King has led to the freedom of slaves and blacks to the Presidency of the United States, under Barack Obama. Although imperfect, George Washington reached glorious perfection by individually freeing his own slaves as a symbol for others, at his death. If others*

had freed their slaves upon their death as Washington and his legacy had, slavery and racial in equality may have possibly dissolved before the civil war.
