Years come and go but still the hand of memories weave.

**Wayne Rogers did not present the last program in June , and will make the presentation on *Huguenots this Month!***

In August Wayne sent out 4 Eagle Boy Scout Certificates to” Keltick Atwood Ethan Facey, Tyler Hansen, and and Spencer Hyde. The Eagle Boy Scout award is the highest award given to the Boy Scouts. As a previous recipient of this award more than 50 years ago, I am very grateful to be able to send or submit this award to deserving youth. We know the Eagle must transform at about 35 years of age, to remove his beak and talons in order to continue his long existence. So while the Eagle is its highest award, it is not finished. We must transform ourselves or fade away

**The Eagle stands for great strength ,long life, and eternal life. With the Romans the Eagle was a symbol of power, and per Egyptian history the Eagle represented eternal Life. For Officers of the Revolutionary Service, it symbolizes within, they gave up all to serve the nrepublic. The Eagle was chosed in 1782 as emlem of the United States of America because of its long life, great strength and magestic looks and also because it was then believed to exist only this continent.**

"Posterity, you will never know how much it cost the present generation to preserve your freedom. I hope you will make good use of it. If you do not, I shall repent in heaven that ever I took half the pains to preserve it."

...**John Adams**

## **Some things are worth fighting for**

"The battle, Sir, is not to the strong alone; it is to the vigilant, the active, the brave. Besides, Sir, we have no election. If we were base enough to desire it, it is now too late to retire from the contest. There is no retreat but in submission and slavery! Our chains are forged! Their clanking may be heard on the plains of Boston! The war is inevitable; and let it come! I repeat, Sir, let it come!"

YEARS COME AND YEARS GO BUT STILL THE HAND OF  
MEMORIES WEAVE. –  
AMERICA, AMERICA AND AMERICA

THE EAGLE NEWSLETTER IS PUBLISHED MONTHLY AND IS VERY INFORMATIVE, AS FOLLOWS:

The American Revolution (1775-83) is also recognized as the American Revolutionary War and the United States. War of Independence. The conflict arose from growing tensions between residents of Great Britain's 13 North American colonies and the colonial government, which represented the British crown. Skirmishes between British troops and colonial militiamen in Lexington and Concord in April 1775 kicked off the armed conflict, and by the following summer, the rebels were waging a full-scale war for their independence. France entered the American Revolution on the side of the colonists in 1778, turning what had essentially been a civil war into an international conflict. After French assistance helped the Continental Army force the British surrender at Yorktown, Virginia, in 1781, the Americans had effectively won their independence, though fighting would not formally end until 1783.

**Honor your patriots, submit some supplements!**

**Each Month I look forward to an article or bio from our members to input into our newsletter. While many of us have submitted articles about our ancestors in the revolutionary war, it is suggested, for a refresher to the Eagle, newsletter, that we begin submitting an article or bio about our parents (our mothers and fathers), who started us.**

**Many of them went through World War II. Let's remember in writing and publishing them before it is too late. Honor your mother and father by submitting an article of bio about them to Wayne Rogers: [roger-wayne1@hotmail.com](mailto:roger-wayne1@hotmail.com) ; or 28482 Scenic Bay Cove Menifee, California 92585; or call me 951-795-8704.**

WAYNE ROGERS

As chapter Registrar, I have been assigned Eagle Chapter Registrar permissions **on-line** to view, edit, save and print all started applications that designate the Eagle Chapter, SAR. After I login to the NSSAR Online System,

on the left side of the computer screen, there is a "stacked paper" icon with the words "Chapter Dashboard" which I click. A new screen will display that shows five of the most recently saved Eagle Chapter applications and I can click the gray "View" button to the right of that list of applications to access any of those applications for viewing, editing and printing. Also, I can click on the "Applications" tab above the list of most currently saved Eagle Chapter applications and then click on "Regular," "Supplemental," "Junior" or "Memorial" lists of started Eagle applications, click the blue "Edit/View" button to the right of the application that you want to view, edit, save or print.

Sometimes when I change from "Regular" to "Supplemental" or from "Regular" to "Junior" there are no applications displayed and to refresh the list of applications I need to click the "Chapter Dashboard" icon again and then click "Applications" and then click the category of Eagle applications that I want to view.
