“We have been told that our Struggle has loosened the bands of Government everywhere... that schools and colleges were grown turbulent .. that Indians slighted their guardians.. but your letter was the first Intimidtion that anotherTribe more numerous and powerful than all the rest weregrown discontented”- from John Adams to his wife Abigail ,April 14, 1776

Hi Dave,

Kudos and congratulations to you on the development of the website! The special recognition at yesterday’s meeting given by the state representative was significant and certainly well – deserved.

I was just looking over the “events” section on the website, and now I am I am embarrassed to say that I didn’t live up to your expectations and have not supplied you enough pictures of the recent events like the flag certificate that we gave last month. I do have some pictures of yesterday and I will send them to you.

I think the events section is superb! Many thanks and again many many kudos and congratulations.

John

While we are contending to our own liberty, we should be very cautious not to violate the rights of conscience in others, ever considering that God alone is the judge of the hearts of men and to him only in the case they are answerable.

MINUTES OF A REGULAR MEETING HELD ON

Saturday, 5 May 2018

The regular meeting of the CASSAR Eagle Chapter was held on Saturday, 5 May 2018 at the Pala Mesa Resort, Fallbrook, California. There were 23 attendees, including Jim Fosdyck Past State President, Un Hui Past President of the Ladies Auxiliary, newly-elected State Vice President South, Brian Stephens, and speaker, Sandy Jenkins.

Ernie McCullough gave the invocation in the absence of the Chaplain. Attendees recited the Pledge of Allegiance to the American Flag and the SAR Pledge. Ray Raser was the only member there in uniform.

President John Huegel welcomed everyone. He then recessed the meeting for breakfast, then reopened with each member introducing himself, his ancestor and any guest who accompanied him to the meeting.

The minutes of the April meeting were approved.

Officers Reports:

Secretary Bill Bishop reported that members should be considering the position of Chapter Secretary since this would be his last year to be in that position.

Treasurer Robert Martin stated the bank account balance at the beginning of the month was \$3,321.77 less paid expenses and plus deposit ended with a total of \$3,376.50. He also reported he had requests for reimbursement for medals and postage, which he was authorized to pay.

Webmaster David Ott gave an update on the Chapter website; he has added some photos and is now working on a calendar

Frank Kebelman reported that several Certificates had been presented to Eagle Scouts. He also reported the Boy Scouts of America had not changed but is coed, so girls can become Eagle Scouts and is known as Scouts of America.

Registrar Bruce Plummer reported 1) John Murphy and John Greer's applications have been mailed in, as well as Andy Jenkins; however, on or about April 16, they asked Andy Jenkins for more information; 2) Matt Myers, a new member in the Riverside Chapter would like to transfer to the Eagle Chapter since he lived in that direction; he'd had an email from Elizabeth Griffin who wants her sons and grandson to join the NSSAR. This means there are three applications pending and one supplemental.

The President reported that member William Frederick and Helen Murphy had been married and sent them congratulations and best wishes.

He also reported that he and Bruce had presented a Flag Certificate to Cypress Court in Escondido. The President then explained about Flag Day, recognizing and respecting the symbols of our Nation. He mentioned Flag Certificates could be given to those flying the flag on a regular basis such as City Hall, Fire Departments and he suggested we should start recognizing more of these entities.

Steve Wright reported on the C.A.R. chapter he had mentioned at the last meeting. They are not looking for sponsorship as the Rancho Buena Vista DAR Chapter has been helping them, they would like to participate in the activities of the Eagle Chapter such as parades, projects, and to come to meetings. It was decided this would be a mentorship program. The cost to be a Junior Member of SAR would be \$5.00. It was approved, and Steve will invite them to the next meeting.

Jim Fosdyck was invited to speak; he introduced Brian Stephens, who is the new Vice President of the State Society in the South and the liaison with the DAR. Brian Stephens was welcomed and stated this was his first chapter to visit in his new position.

He presented the Chapter a streamer for the flag for their participation in the Massing of the Colors at Hollywood Hills Forest Lawn. --**-

He also presented the Chapter with the Junior Lott Award, consisting of certificate and a check, for increasing membership 30%.

He thanked the Chapter for keeping their website updated. He reported that the State Society would conduct a training session in the North for black powder shooting. He urged those interested should get in their registration for this training. He announced a contest where DAR will split \$600 for most referrals to SAR.

Jim Fosdyck stated California Society will be hosting the National Congress and are looking for volunteers to wear their colonial dress and welcome National members at the airport. Anyone interested should contact Jim Fosdyck.

It was also announced that there is a new Protection Program for everyone who is working with youth.

At this point, President Huegel asked for DAR members to report on the activities of their chapter. Carol Anderson of the Monserrate Chapter stated they were working on collection of items for veterans; Fay Bishop of the Luiseño Chapter reported her Chapter activities for the formerly homeless veterans housed at March ARB who are now in their new quarters.

Carol Anderson introduced retired teacher Sandy Jenkins, a professional storyteller, who gave an interesting program on Storytelling. Carol presented Sandy with a gift.

The President asked for the SAR Recessional to be recited, they sang “God Bless America,” the benediction was given by Ernie McCullough, and the meeting was adjourned.

Respectfully submitted,

Children of the American Revolution, C.A.R., **CAR Symbol contains an Eagle**

the nation's oldest, largest, patriotic youth organization, offers membership to anyone (boys and girls)0 under the age of 22, lineally descended from someone who rendered material aid to the cause of American Independence as a soldier, sailor, civil officer, or recognized patriot in one of the several Colonies or States, or of the United States. C.A.R. activities focus on patriotism, service, and education about our American heritage.

SAR SPONSORSHIP

The C.A.R. is an independent organization which looks to the SAR, the Daughters of the American Revolution (DAR), and the Sons of the Revolution (SR) for its leadership and financial support. The C.A.R. needs adult leaders, financial support, and members. An SAR member may hold a "senior" office in the C.A.R. at the local, state, regional, or national levels of the society. The C.A.R. needs senior leaders at all levels, but particularly at the local level. Senior leaders benefit C.A.R. by implementing their knowledge and skills gained from professions and affiliations with other youth programs.

The Earliest American Bald Eagle is from the Society of the Cincinnati by Pierre L'Enfant. If the farther back in the past you can see and investigate, may you see the future. The future has no protection without the past. The future is unknowable, so the only hope is in the past. One natural law I have learned in science is “Anything *toxic in small dose is stimulatory*”, but general warning is that too much dose, it will become toxic. In Democracy, *everything must be what its own Qualities determine.*, unless it leads to harm. If we were to allow Turkeys to be described within Eagles, this also would be wrong

- The Cincinnati Eagle

- On June 19, 1783, the General Society of the Cincinnati adopted the Bald Eagle as its insignia. This date was one day short of the one year after Congress had adopted the Eagle as the seal of the United States. But, the suggestion of the “: Bald” Eagle as the Cincinnati insignia was made by

Major Pierre L'Enfant, a French officer who joined the American Army in 1777, served in the Corps of Engineers, and later become a member of the Society, and laid out Washington, DC. He noted, in making his suggestion: "*The Bald Eagle, which is peculiar to this continent, and is distinguished from those of other climes by its white head and tail, appears to me to deserve attention.*" In 1784, Major L'Enfant was commissioned to design the eagle.

Dear Tyson Cade Lovell

It is with great pleasure to congratulate you on achieving Scouting's highest honor. You can be justifiably proud that you have now joined one of America's most prestigious groups, and earning the rank of Eagle Scout marks you as a leader, one your country and family will call upon in future years.

Many members of the Sons of the American Revolution are Eagle Scouts. I am one of them and I share the joy and sense of accomplishment I know you are feeling right now. Never forget that feeling and never forget the many people who helped you on this journey. One day you will be called upon to return the favor by helping someone else become an Eagle Scout.

On behalf of the entire membership of the National Society, Sons of the American Revolution, I wish you success in your future endeavors. Congratulations on a job very well done.
